

AWPCA Operator of the Month for July 2008

Water Treatment Plants

Michael ( Heath ) Denton, was hired on July 30th, 2001. Heath is a Grade IV Water Operator for the Anniston Water Works & Sewer Board and is stationed at ( Coldwater Spring ) Paul B. Krebs Water Treatment Plant. Heath is a very committed person as well as an operator. Heath gives his all to what ever he does. Congratulations to Heath from the AWPCA Executive Board on this very special nomination as Operator of the Month for July!
