

## ADEM OPTIMIZATION PROGRAM

### THREE YEAR OPTIMIZED PLANT AWARD

To Anniston Water and Sewer Board's Paul B. Krebs Water Treatment Plant for continued excellence in operation that maximizes public health protection by achieving the optimization goals for sedimentation and filtration as established by the EPA Region IV and ADEM Drinking Water Branch Water Treatment Plant Optimization Programs for three consecutive years, 2003 - 2005. Awarded the 31st day of October, 2006.

Plant Operations Supervisor Walter Newman accepts award from ADEM Representative.
