

ADVERTISEMENT FOR BIDS

Sealed proposals will be received by Anniston Water Works and Sewer Board (Owner), **931 Noble Street, Suite 200, Anniston, Alabama, 36201** until **10:00 AM CDT on Thursday, August 31, 2023** for the construction of the

Wellborn Booster Pumping Station, Project Number 16057

at which time and place they will be publicly opened and read.

A summary of the work items is included below:

The work includes the construction of a new booster pumping station to serve the Wellborn area. The new booster pumping station includes two pumps, associated piping, controls, SCADA, building enclosure, site work, and miscellaneous electrical work.

The work of constructing the project will be let under one Contract if an award should be made; and the Owner reserves the right to select the Bid considered by the Owner to be in the best interest of the Owner.

A cashier's check or bid bond payable to Anniston Water Works and Sewer Board, in an amount not less than five (5) percent of the amount of the bid, but in no event more than \$10,000, must accompany the bidder's proposal. Performance and Payment Bonds and evidence of insurance required in the bid documents will be required at the signing of the Contract.

Drawings and specifications may be examined at the office of the Engineer, Dodge Data & Analytics, Isqft and CMD Group.

Complete sets of electronic Bidding Documents are available for download through Quest Construction Data Network.
